

Lockdown January 2021 by Harry Keegan Y5

Lockdown learning this time has been much better! This time, I really enjoy checking in with Miss Staward and Mrs Houghton. Even more than this, I love checking in with my friends because we get time to chat and catch up! We all meet up three times a day and this makes me happy! I love saying hello to Mason Howe and Aaron Grey every day! As well as this, I feel that I am making good progress because of the feedback I get from my teachers.
